

set_state

```
graph LR; A[set_state] --> B[eliminate_entities]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'set_state'. The right box is white with a thin gray border and contains the text 'eliminate_entities'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or sequence.
